

REMARKS

In response to the rejection of claims 6-8 under the judicially-created doctrine of obviousness-type double patenting, Applicant herewith submits a Terminal Disclaimer disclaiming any part of the term of a patent granted on the subject patent application that would extend beyond the full term of the prior patent, as set forth therein.

In view of the foregoing, favorable reconsideration of this application and the issuance of a Notice of Allowance are earnestly solicited.

RESPECTFULLY SUBMITTED,
